Corporate Sponsorship Packages

ACS Corporate Sponsorship Packages

ACS is committed to developing long and beneficial relationships with our Corporate Supporters, particularly those who express long-term commitment in the provision of exemplary services in the aged care industry. The Corporate sponsorship packages are an exclusive and limited invitation for ACS Corporate Supporters (incorporating National Partners and National Corporate Supporters of Aged & Community Services Australia).

We are very pleased to provide aged care service/product suppliers with the following sponsorship options in 2009.

- ACS GOLD PACKAGE **SOLD**
- ACS SILVER PACKAGE **SOLD**
- ACS BRONZE PACKAGE 4 available

The above packages are a guide to the level of exposure and promotion which ACS can provide to suit different sponsorship budgets. We are also very happy to incorporate any of the above packages into a more personalised package to suit the individual needs of the organisation (providing the value for the complete package remains similar). The sponsorship package is generally for a twelve month period aligned with the calendar year.
